## **PART 290—RE&F SUPPLEMENTAL POLICIES**

---

### **SUBPART 290.0—POLICY**

#### **290.000 Scope of part.**

This part contains RE&F acquisition policies that do not have a direct reference to FAR or DFARS coverage.

### **SUBPART 290.1—ACQUISITION REVIEWS**

#### **290.101 General.**

(a) The Policy & Contract Review Branch will conduct periodic Acquisition Assistance Reviews of RE&F contracting offices. These reviews will examine a representative sample of contract actions. A Contract Specialist from the affected office, or another office, may be requested to participate in the review on a part-time basis. Contract actions will be reviewed for adherence to FAR, DFARS, this Supplement, and other DOD policies and regulations. The reviews will focus on objective criteria with minimal critique of judgmental factors.

A draft copy of the results shall be provided to the respective team leader for comment. Upon resolution of any comments, a final version of the results will be provided to the Director, Real Estate and Facilities Contracting Office. The team leaders shall ensure that all contract specialists have an opportunity to review the results.

(b) The Policy & Contract Review Branch shall be the RE&F focal point for all acquisition reviews. All comments and responses to these reviews shall be coordinated through and consolidated by the Policy & Contract Review Branch.
